Subject:	Power Profile Results	Date:	July 13, 1992

I just wanted to let you know how pleased I am with the results of the Power Profile section you recently completed. The quality of writing and page layout was outstanding.

The future of the Power Profile concept looks very bright thanks to your talents. The section will be much easier to sell next time because of the work you put into it.

I'm proud to have you contributing to our newspaper. Thanks again Rich, for a job well done.
